

SHORE STEWARDS PROGRAM

Application for Certification

Thank you for your interest in the Shore Stewards Program, which is open to all shoreline residents of Island County, and for those who have access to the shoreline through their community association. When you have filled out and returned this page, via mail or email, you will receive a free copy of GUIDE FOR SHORELINE LIVING, a comprehensive book that will inform you about the 10 guidelines in more detail. You will also receive two window decals, a DVD on shoreline living, a monthly newsletter, and an optional free metal sign.

Shore Stewards is free to join. There are no annual dues, and no requirements to attend meetings or volunteer. You will be invited to attend educational programs, taught by experts in their fields, and notified of other programs and events you may find of interest. Shore Stewards is strictly an educational program, and our goal is to help you to learn more about the subjects covered in the ten Shore Stewards guidelines.

Your privacy is important to us. This application, and any information you provide, is private. Your email address will only be used to send you copies of our newsletter and to inform you about future events and programs you may find of interest. If you have any questions, or would like further information on any subjects, all contact information is included on the last page.
